**Note:**

- League matches will have only two sets, team winning both sets will get 3 points team losing both sets will get 0 points. If both teams win each set, 1 point is granted to both teams.
- Knockout matches are played with team winning 2 sets out of 3 wins the match. If first and second sets are won by a team, there is no need for third set. But if first and second sets are won by each team, match is decided by third set.
- Before the match, toss winning team will choose the field side. After first set is finished, teams will interchange sides for second set. If match is to be decided by third set, again toss is done for choosing field for third set.
